

Clear Edge® is an innovative solution provider focusing on three business sectors: Screen & Filter, Process Belts and Screen Print. The company offers an extensive range of wet & dry filtration and screening products for various industries including metallic and synthetic fabrics for conveying, forming and liquid filtration applications and VS-Monoprint® mesh for screen print applications.

Currently we are looking for a:

Sales Engineer (m/f)

Tasks:

- French based sales engineer for screen and liquid filtration
- Activity in other areas in South Europe / MENA possible
- Manage and expand sales of screen and filter products in the above mentioned territory
- Principally B to B business but also through some local distributors
- Visit and support technically/commercially customers to secure orders and develop the customer base
- Help to build the right strategy for the screen and filter market
- Interact with RSM, Production and R & D in order to offer new products to the market

Qualifications and / or experience needed:

- Skilled professional with sales experience (industrial products / supplies)
- Ability and desire to sell
- Excellent communication and presentation skills
- Strong commercial awareness
- Confident and determined approach
- Resilient and the ability to cope with rejection
- High degree of self-motivation and drive
- Ability to work independently and as a part of a team
- Capacity to flourish in a competitive environment
- French speaker, able to communicate (speak and write) in English
- Other languages (German, Arabic, Italian or Spanish) helpful.

Have we sparked your interest? We are looking forward to receiving your application / CV (please add your earliest possible date of entry and salary expectation):
